First Mortgage Provides Pumpkin Painting Fun!

Employees of First Mortgage Home Lending held a Pumpkin Painting Party for the residents of Martha's Home attended by mothers and their children. Everyone there had a great time decorating pumpkins for Halloween and afterwards enjoyed Halloween cookies and punch. Brenda Bennett, Branch Manager of First Mortgage noted how well behaved and polite all of the children were and bragged on their artistic abilities. "We are so honored to provide some support for this organization that does so very much for our community, helping women and children in need of shelter and direction" Brenda said. All of the employees assisted in the painting and party even surprising a one year old with a birthday cake and presents. It was a unique opportunity for us to see "first hand" the outstanding quality of guidance, facilities, and caring attention provided to the residents of these homes. We would love to do this again real soon. (Written by Wayne L. Holder, Loan Officer at First Mortgage Home Lending)

At the end of the party, Brenda surprised us with a donation check for \$2,000 to purchase paper goods needed for our four homes! On behalf of the staff and residents, Martha's Home would like to express our sincere appreciation for the generosity and personal service of First Mortgage employees!

Martha's Home is Having a ROUNDUP...of towels & cleaning supplies, that is!

Martha's Home takes pride in providing comfortable and clean shelters for homeless women and children. Our supply of towels and cleaning supplies is getting low, and the ongoing need is great for our four homes which house single women and mothers with children. Our residents share in the chore of cleaning, which gives them a sense of family and instills good personal living skills. The women at Martha's Home are diligently working to further their education, securing full-time employment, and developing life skills to prepare themselves to live independently and become productive members of our community. When the women complete their stay at Martha's Home, they are given their towels as a housewarming gift for their next home.

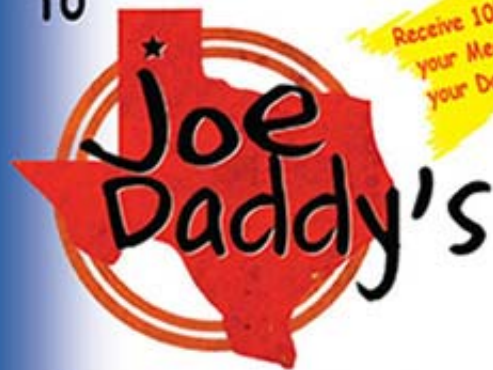

Joe Daddy's is helping out by hosting an event to collect much needed towels, laundry detergent, and cleaning supplies. We'll kick off the drive on **Thursday, October 23, 2014**, from **5:00 p.m. to 7 p.m.** To entertain and help promote the Fall Roundup, "DJ

Katie” Eddins of Neon Pink Media, will provide music and Karaoke Fun! For any donation of towels or cleaning supplies, Joe Daddy’s will give 10% off the price of your meal on October 23rd. The collection will continue at Joe Daddy’s through October 30th. We also welcome donations delivered between 9 am - 5 pm to our office location at 1204 S.W. 18th, near I-40 and Washington.

If you need any further information about Martha’s Home or our upcoming Fall Roundup, please contact Mary Kay Kuhrts, at 367-1757.
